EDITORIAL PROFILE

Cover Story

An in-depth profile of a prominent artist currently making waves. These profiles offer a fascinating look at the life of artists, mostly music and almost always Canadian, from Exclaim!'s unique perspective.

Feature Stories

A broader look at a scene, a sound, a city or a movement, a monthly feature story takes a longer, more extensive, research-oriented look at musical and social forces that shaped it.

Timeline

A chronological history of an artist's career, the Timeline is an information-heavy year-by-year breakdown of professional highlights and unusual anecdotal info.

Comics (bi-monthly)

From adult-oriented graphic novels to the progression of childhood classics, an analysis of the art and trends in this animated world.

Points

Key profiles of this month's new hot happenings, with an emphasis on artists that have new, interesting work and a presence on the Canadian musical map.

News Notes

The latest in underground news happenings, encompassing both business and pleasure with the latest updates.

Click Hear

Where to turn — or rather, where to click — to hear the hottest online music sounds.

Exclaim! Questionnaire

Each month, Exclaim! asks the same questions to a variety of musicians and artists and the fascinating and diverse answers are featured.

Film and DVD Reviews

The latest in cinematic releases, in theatres and for home viewing, are highlighted on a monthly basis in our Film and DVD Reviews sections.

Concert Reviews

Spanning geography and genre, our Concert Reviews highlight scenes from across the country, live off the floor.

Music Reviews

From the vast range of musically astute talent that Exclaim! has accumulated comes a monthly assessment of the newest and hottest music from a wide range of genres, while the true cream of each month's crop is designated by the Exclaim! Mark of Excellence.

Front Five

The Exclaim! appetizer offers up quirky and unusual happenings in the world of pop culture, from the unusual to the absurd.

Technology (bi-monthly)

A look at the social and cultural impact that technology continues to have on our everyday lives.

Video Games

An examination of video game culture (including consumer and console games) as it evolves and impacts the world at large; regular features include new game reviews.

Music School

Utilising the knowledge and experience of Canadian music industry veterans, Music School features a look at working methods (gear and studio space), practical guides on various industry topics (How To), introductions to important music figures (Meet and Greet) and a look at business practices (Label Life).
